It has a youthful, pale golden colour and brilliant transparency that is pleasing to the eye. The nose is full of minerals with delicate citrus and floral notes. It's lovely. Though bone dry, there is a sweetness-of-fruit in the mouth that nicely balances the racy acidity.

**CHENIN BLANC Leo Steen – Leo Steen** **2018**  
**Sonoma County, California** **£82**

100% Chenin Blanc. Jon has developed an obsession with Chenin Blanc over the past couple of years & this wine is genuinely a fantastic example! For the 2019 vintage, they reached further out in the Central Coast to work exclusively with sustainably farmed vineyards in the coolest, coastal places they could find & the result is their best wine yet.

## South America

South America's wine making history goes back over 460 years despite a relatively recent introduction to the UK. Argentinean wines are now among the most popular of all the world - and justifiably so, top quality and great value for money.

**SAUVIGNON BLANC 'Eggo Blanc de Cal', Zorzal – Juan Pablo Michelini** **2020**  
**Uco Valley, Argentina** **£50**

100% Sauvignon Blanc. \*Warning\* This is not a normal Sauvignon Blanc. Fermented on its lees in cement eggs with no intervention or filtration, gives this characterful sauvignon blanc a strong struck-flint intensity with grassy & herbaceous notes with refreshing acidity & persistent finish. (v, ve)

## South Africa

South Africa is up and coming in terms of its viticulture and is producing wines that can genuinely challenge the likes of Australia and Chile. Many of its top wine makers have spent time abroad learning new techniques and are now experimenting with new blends and different methods of vinification.

- CHENIN BLANC 'Inspector Péringuey' Jordan Vineyards – Gary Jordan** **2021**  
**Stellenbosch, Western Cape** **£48**  
100% Chenin Blanc. Layers of rich tropical fruit and creamy citrus flavours, interlaced with a spicy, white peppercorn complexity from barrel-fermentation create a well-balanced wine with a natural fruity acidity.
- CHARDONNAY Paul Cluver Estate – Andreas Burger** **2019**  
**Elgin, Western Cape** **£64**  
100% Chardonnay. The flavours are complex and show a well-integrated combination of ripe fruit and nuances of oak. As you sip, the flavours are long and lingering. A truly beautiful Chardonnay, which we bet most would mistake for a white burgundy!
- 1900 QUEEN MANTHATISI Spioenkop Wines – Koen Roose** **2018**  
**Elgin, Western Cape** **£61**  
Sauvignon Blanc 70%, Riesling 23%, Chenin Blanc 7%. Precise and fresh, with notes of ripe peach, citrus and grapefruit layered with nuances of almond, wet stone and a touch of anise. Harmoniously balanced, the tropical fruit is accented by a lovely earthy savouriness, through to a crisp, fresh finish. (v, ve)
- SAUVIGNON BLANC 'Fat Lady' Hasher Family Wines – Frederik Hasher** **2022**  
**Hermanus, Western Cape** **£55**  
100% Sauvignon Blanc from southwest facing slopes at 203m above sea level approximately 5.19km from the cool South Atlantic Ocean. All grapes were handpicked early in the morning on Friday 18<sup>th</sup> March 2022 & less than 6000 bottles produced. This vintage is the swansong for this beautiful wine as the vines have unfortunately now been uprooted.

## Australia & New Zealand

Australia is arguably the most successful new world producer; the cooler climate of Adelaide Hills in South Australia provides the perfect climate for the grapes to grow and reach their full potential with many other regions becoming known for making specific varietals in specific styles.

The first edition of Hugh Johnson's World Atlas of Wine in the 1970's made no mention of New Zealand yet over the last 20 years the country has now made a name for itself for producing fantastic quality wine. Cool-climate varietals are the focus of attention especially the wonderful Sauvignon Blancs from Marlborough, but other regions and varietals are rapidly making a name for themselves too.

- RIESLING Ministry of Clouds – Bernice Ong & Julian Forwood** **2022**  
**Clare Valley, Australia** **£67**  
100% Riesling. A deliberately delicate expression of Clare Valley Riesling, exhibiting lifted floral notes, kaffir lime, freshly squeezed lemon juice, grapefruit peel, bath salts, and underlying talc. Classic citrus notes are complimented by the mouth-watering chalky and mineral texture on the palate, finishing with a fine and taut acid line.
- ASSYRTIKO Jim Barry Wines – Peter Barry** **2021**  
**Clare Valley, Australia** **£76**  
100% Assyrtiko. Jim Barry needs very little introduction but this wine is something rather different. It has been a labour of love for Jim's son Peter since he tasted Assyrtiko whilst on holiday in Santorini; 2008, after 2 years in quarantine, he finally managed to import the vine cuttings from Gaia back home to Clare Valley. This is his 3rd release & we love it - Pear, grapefruit & a steely mineral streak running through its creamy core.
- CHARDONNAY 'Block 1A' The Lane – Michael Schreurs** **2022**  
**Adelaide, Australia** **£50**  
100% Chardonnay. A great example of a practically unoaked Chardonnay; ripe with delicious tropical & stone fruits, there is an underlying acidity keeping the wine fresh & vibrant. (v)
- MARSANNE 'Museum Release' Tahbilk – Alister Purbrick** **2017**  
**Nagambie Lakes, Australia** **£48**  
91% Marsanne, 5% Riesling, 1% each of Chardonnay, Roussanne, Sauvignon Blanc & Verdelho. Marsanne is one of the rarest grape varieties originating from Northern Rhone & Hermitage. Tahbilk have the largest and oldest single planting of the variety in the world. Pungent and lifted honeysuckle and buttered toast notes lead to a rich, nutty and honeyed palate, brimming with lemon citrus fruits on the finish.
- CHARDONNAY 'Verve' Ocean Eight – Michael Aylward** **2020**  
**Mornington Peninsula, Australia** **£89**  
100% Chardonnay. The fruit for this lovely Chardonnay was picked to highlight the citrus spectrum, in particular grapefruit, hence the name 'Verve' which accurately describes the racy character of this wine. Showing distinctive grapefruit and citrus aromas. The palate almost gives you the illusion of richness due to the intensity of the fruit, then the crisp, dry finish lingers in an everlasting finale. (v, ve)
- SAUVIGNON BLANC Eradus – Michiel Eradus** **2022**  
**Marlborough, New Zealand** **£58**  
100% Sauvignon Blanc. The grapes are picked fully ripe which gives a more exotic, slightly richer palate than many of the regions wines. Distinctive Marlborough Sauvignon Blanc passion fruit & Asparagus flavours with a long, delicate, nettley finish. (V)

## Japan

The Grace Winery can trace its history back to 1923 and is today one of Japan's top wineries. Ayana Misawa, a pioneering female winemaker, is not only the craftsman behind the Grace Winery but also one of the friendliest & exciting wine producers that we have met – after an Instagram post about us pairing her wine with a delicious scallop dish she arrived in the restaurant to test it out for herself!

**KOSHU Private Reserve, Grace Wine – Ayana Misawa**  
**Katsunuma, Yamanashi**

**2021**  
**£69**

100% Koshu. Japan's most important (& delicious!) grape variety. Ethereal & elegant with melon & peach and bags of minerality from the complex granite soils found in Hishiyama. Delightful freshness, mouthwatering acidity & a linear Zen-like, almost savoury, quality which is all about balance. (v, ve)

## Rose & Orange Wine

From the finesse of the Provence to the complexity of the Lebanon, Rose wines are a fantastic accompaniment for food. Orange wines are made using the same principles and methods as red wines, the skins are left on which produce tannins and leave the wine spicier, herbier and drier.

<b>PINOT ROSÉ Woodchester Valley Vineyard – Jeremy Mount</b>	<b>2022</b>
<b>Cotswolds, England</b>	<b>£44</b>
90% Pinot Noir (Frühburgunder) & 10% Regent. Woodchester's full-bodied and superbly structured rosé expressing an abundance of ripe and juicy red fruit character with a long and very pleasing finish. A perfect all season's rosé.	
<b>BEAUJOLAIS ROSÉ Château de Vaux – Christopher Piper and Yannick de Vermont</b>	<b>2022</b>
<b>Beaujolais, France</b>	<b>£39</b>
100% Gamay. This is a ripe and rounded rose, pale pink with a zesty strawberry like fruit and well-balanced acidity. So much care goes into the production of these grapes; Grandmont is overtly eco-friendly, no pesticides, weed killers or man-made fertilisers. The soil is manured and ploughed and has competitive swiss grass planted between the vines for hydric competition, ensuring deeper roots and reduced yields. A very tight pruning is carried out and, very unusually for Beaujolais, the vines are pruned on the double-guyot system, trained on wires, giving the grapes better aeration and sun exposure.	
<b>COTES DE PROVENCE ROSÉ La Source Gabriel – Régine Sumiere</b>	<b>2022</b>
<b>Provence, France</b>	<b>£55</b>
25% Cinsault, 40% Grenache, 20% Syrah, 15% Mourvèdre. This is classic Provence rosé. So pale and delicate yet fruity it's a real crowd-pleaser. Floral notes coupled with that kind of rich stone fruit you only get from wines from this part of France. A summer staple. The vineyards are only 10 hectares. It's a tiny corner of Provence that means the winemaker can give the whole vineyard his attention.	
<b>XINOMAVRO 'Hedgehog' Alpha Estate – Angelos Latridis</b>	<b>2022</b>
<b>Macedonia, Greece</b>	<b>£69</b>
100% Xinomavro. Elegant, pale-salmon coloured, smooth rosé with great balance. Strawberries, cranberries, almost rhubarb, complemented by fennel, hint of peppery spice & liquorice. (v)

<b>GRECANICO Pithos Bianco, COS – Giambattista Cilla</b>	<b>2020</b>
<b>Sicily, Italy</b>	<b>£78</b>
100% Grecanico. This skin contact white gets its name 'Pithos' from the amphora that the estate uses to age the wine. Deeply delicious, exploding with juicy orchard fruit, citrus, crushed volcanic rock, saffron & fresh cut herbs. Complex, dazzling and fascinatingly food friendly.

## Australia & New Zealand

Australia is arguably the most successful new world producer; the cooler climate of Adelaide Hills in South Australia provides the perfect climate for the grapes to grow and reach their full potential.

The first edition of Hugh Johnson's World Atlas of Wine in the 1970's made no mention of New Zealand but over the last 20 years the country has now made a name for itself for producing fantastic quality wine.

**MERLOT 'Conductor' Koomooloo Vineyard – Philip Shaw**  
**Orange, New South Wales, Australia**

**2015**  
**£60**

Cool climate Merlot with only 12.5% alcohol, but the fruit is ripe - elegant plum & damson give it plenty of oomph. There is a real sense of energy & freshness as well as easily approachable fruit with a lick of spicy oak. (e)

**SYRAH Even Keel – Sam Coverdale**  
**Canberra District, New South Wales, Australia**

**2019**  
**£80**

100% Syrah. A really classy, complex syrah redolent of the cooler climate. Blueberries, violets and earthy mushroom mix with black pepper & herbs. Simply delicious!

**DURIF Campbells Limited Release - Colin Campbell**  
**Rutherglen, Victoria, Australia**

**2021**  
**£70**

100% Petit Syrah. Intense dark cherry and black plum fruit fill the mouth and slowly give way to the texture of the wine which provides ironstone and coffee grounds complexity. The wine finishes with the lingering dark fruit supported with char, aniseed and very fine mouth coating tannin.

**PINOT NOIR Muddy Water - Dom Maxwell**  
**Waipara, New Zealand**

**2018**  
**£92**

Muddy Water is a stunning, boutique winery in Waipara (Maori for Muddy Water) & the rumour is that their Pinot Noir vines were smuggled out of Domaine de la Romanee Conti in the 1970's via a rugby players boot! Wonderfully rounded, supple and ripe with silky tannins and a creamy structure. (V)
